Dear fellow Union member:

Enclosed is your union withdrawal card. I would like to remind you to keep it in a safe place. Also, in the event you are rehired in the future, it is your responsibility to present it to a shop steward or union officer within 48 hours as specified, or you may have to pay the initiation fee over again.

If you go to work in another paper mill that is under contract with this international union, present the withdrawal card immediately. Also, many unions in other trades or industry will honor our withdrawal cards upon entry into their unions, so you will want to present it to their union officials if you change occupations.

In closing, I would like to wish you good fortune in the future, and stress once more the importance of keeping your withdrawal card in a safe place. May God bless you.

Fraternally yours,

Financial Secretary Local 8-1101
